DATA VISUALIZATION

| Team ID	PNT2022TMID54247
Project Name	Analytics For Hospital Health Data.
Team Members	Jagadeesh R(TL), Karthik K(TM-1), Hariharan C(TM-2), Deepak Raj S(TM-3).

Using the given dataset, we plan to create various graphs and charts to highlight the insights and visualizations.

Dashboard Showing Pie, Stacked Bar, Waterfall And Pie Charts

Build a Dashboard to show case the following analytical visuals.
  ➢ a Pie-Chart showing Severity of illness by number of cases.
  ➢ a Stacked Bar Chart to visualize Department-wise, Age-wise number of cases.
  ➢ a Waterfall chart visualizing the Department wise number of Patients.
  ➢ a Pie-Chart showing the Availability of Extra rooms with Analytics.
